MOZZIGEAR

Mozzigear

Mozzigear is proudly Australian-owned, and dedicated to enhancing your outdoor lifestyle with our innovative insect repellent solutions. Our journey began with a vision to create effective, stylish, and convenient insect protection products that shield you from pests while you enjoy your adventures. From our modest beginnings, we've grown into a brand synonymous with outdoor comfort and protection, committed to quality and innovation.

Directions for Use:

1. Clean and dry the bite site before applying the patch.
2. Stick the No Itch Patch directly onto the bite area.
3. The itching should start to subside within 5 minutes.
4. The patch can be worn for up to 7 days or removed at any time.

Mozzigear Mosquito Click

The Mozzigear Mosquito Click offers fast relief from mosquito, sandfly, and jellyfish stings, treating up to 5,000 bites. This portable, chemical-free device is safe for adults and children, providing natural itch relief without batteries. Made in Italy, it’s durable, easy to use, and ideal for outdoor activities.

Key Features:

- TGA registered
- Treats up to 5,000 bites
- Portable and battery-free
- Chemical-free, DEET-free
- Lasts for up to 25,000 clicks
- Safe for children over 6 months

Mozzigear Natural Armour Tropical Strength Insect Repellent Spray

Mozzigear Natural Armour Tropical Strength Insect Repellent Spray provides up to 6 hours of protection from mosquitoes and other insects, using OLE (Oil of Lemon Eucalyptus) as a natural alternative to DEET. Safe for sensitive skin and children over 6 months, it offers an eco-friendly, effective mosquito deterrent.

Key Features:

- Up to 6 hours of protection
- Uses OLE, a natural alternative to DEET
- Safe for children (6 months+)
- Biodegradable and environmentally friendly
- Effective against mosquitoes, flies, ticks, and more

Mozzigear Glow Guard Kit

Say goodbye to pesky mosquitoes and flying insects with the Mozzigear Glow Guard, the ultimate eco-friendly solution for your home. Featuring a refillable design that includes 5 refills, Glow Guard ensures continuous protection without frequent replacements. Its innovative light technology attracts insects while a chemical-free sticky pad traps them efficiently, making it safe for families and pets. With a sleek design that complements any room, Glow Guard provides long-lasting peace of mind at an unbeatable value.

Key Features:

- Eco-friendly and refillable with 5 refills to cut plastic waste and costs.
- Chemical-free, using light technology for safe insect attraction.
- Non-toxic and safe for children and pets.
- Enhanced sticky sheet design boosts trapping effectiveness without harsh chemicals.
- Slim profile and soft glow fit any room décor.

VisioFocus Pro The Professional Non-Contact Thermometer

The VisioFocus Pro is a TGA-approved, non-contact thermometer made in Italy, using infrared technology for accurate, hygienic temperature readings. It projects the temperature onto the forehead and provides results in just one second. Designed for professional use, it eliminates cross-contamination and holds up to nine memory readings.

Key Features:

- Non-contact and hygienic
- Infrared technology for accurate readings
- 1-second reading time
- Projects temperature onto the forehead
- Stores up to 9 memory readings
- Dual ambient self-calibration modes (Celsius/Fahrenheit)

Travel John Disposable Urinal

The Travel John Disposable Urinal is a portable, hygienic solution for use when toilets are unavailable. Suitable for all genders, it features a leak-proof design that turns liquid waste into an odourless gel. Reusable until full, it includes antiseptic wipes for disinfection and a unisex adapter for easy use.

Thermo Comfort Electric Heat Pad

The Thermo Comfort Electric Heat Pad provides consistent relief for everyday aches and pains. Unlike traditional heat sources, it offers three adjustable heat settings and features heat sensor technology to maintain a stable temperature. The pad is soft, flexible, and machine washable for convenience.

Key Features:

- Three Heat Settings: Low, Medium, and High for customizable comfort.
- Size: Measures 43 x 62 cm, providing ample coverage.
- Machine Washable Cover: Easy to clean and maintain.
- Heat Sensor Technology: Ensures consistent heat for greater comfort.
- Automatic Shut-off: Turns off after 2 hours for safety.
- 3-Meter Power Cable: Provides flexibility in positioning.
